We need your help to save Tongfields

Hi

Following our recent surveys, we are compiling valuable data to present to the inspector who will be evaluating our case.

In order to strengthen our case, we **urgently** need as many local residents as possible to nominate themselves a **witnesses**

Without enough verified witnesses our application could be rejected

Every statement from key local people helps us to prove that Tongfields has been openly used by the community for walking, playing, dog walking and family activities for many years.

This is our **one chance** to protect Tongfields from development – please complete your pack today and encourage neighbours, friends and family to do the same.

Let's do something good, together.
